AVS4YOU Educational Programme

Optimal audio/video post-production software to equip school computer labs

11 AVS4YOU applications allow you to create visual presentations, video tutorials and how-to guides, convert and edit documents, process video footage from team activities, etc.

Why educational establishments choose AVS4YOU software:

- 1 1 piece for 11 Multimedia Tools Suite;
- 2 1 license key for all machines in the computer lab,
- 3 Flexible discount system,
- 4 Automatic setup and easy management,
- 5 Offline registration (upon request),
- 6 Free upgrades,
- 7 Free support.
